

## WORKSHOP PROGRAMME

**Education of Young Professionals in Transplantation (YPT)  
in Living Donation and Transplantation,  
as part of the 9th Living Donor Abdominal Transplant Conference,  
Matera, Italy, 30 August - 1 September 2018**

**Thursday, August 30, 2018**

- 8:30 – 8:35      **Welcome** (5 min)  
*PLOEG (OXFORD)*
- 8:35 – 9:30      **Background and overview**
- Why did we engage in living donation?** (15 min)  
                         [Historical overview, types of LD, ...]  
                         *HENDERSON (HOPKINS)*
- Ethical aspects in living donation** (15 min)  
                         *DOR (IMPERIAL)*
- Legal and regulatory framework and exchange in living donation** (15 min)  
                         *BURNAPP (GUYS & ST THOMAS) and HAASE (LEIDEN)*
- Questions and discussion** (10 min)
- 9:30 – 10:30      **Interactive plenary session with participants and faculty panel**  
                         *MODERATION & PRESENTATION: BURNAPP (G&T) & AKHTAR (OXFORD)*  
                         *FACULTY PANEL: HENDERSON (HOPKINS), FURIAN (PADOVA), RELA (KING'S),*  
                         *BENEDETTI (ILLINOIS)*
- Donor and recipient case part I**  
                         that will focus on a number of screening, selection, risk, psychosocial aspects as  
                         regards donor and recipient (scenarios).
- Participants will ask questions and voice opinions while faculty is challenged  
                         to respond and explain. Cases are prepared and will include several  
                         aspects worthwhile discussing as not always straight forward.  
                         To engage participants, we will strive **'to plant' questions** asking participants  
                         prior to the meeting to read up on one of the important aspects and become 'a  
                         junior expert' when engaging with faculty and others in the discussion.
- 10:30 – 11:00      **Coffee and tea break**

11:00 – 11:45

**Surgical techniques and preservation**

in living donation including videos and comments by expert faculty with interactive discussion

*MODERATION: DOR & POLAK*

**Laparoscopy in living kidney donation (15 min)**

*RATNER (COLUMBIA)*

(full/hand-assisted/intra vs retroperitoneal)

**Robotic technique in living kidney donation (15 min)**

*TZEVETANOW (ILLINOIS)*

**Techniques in living liver donation (15 min)**

*TESTA (BAYLOR)*

To engage participants, we will strive **‘to plant’** questions asking participants prior to the meeting to read up on one of the important technical and preservation aspects and become ‘a junior expert’ when engaging with faculty and others in the discussion.

11:45 – 12:30

**Interactive plenary session** with participants and faculty panel

*MODERATION & PRESENTATION: AKHTAR & BURNAPP*

*FACULTY PANEL: GRUESSNER (SUNY, NEW YORK), OBERBAUER (VIENNA), LERUT (BRUSSELS), POLAK (ROTTERDAM)*

**Donor and recipient case part II**

that will focus on a number of treatment, complication, outcome, psychosocial aspects as regards donor and recipient (scenarios).

Participants will ask questions and voice opinions while faculty is challenged to respond and explain. Cases are prepared and will include several aspects worthwhile discussing as not always straight forward.

To engage participants, we will strive **‘to plant’** questions asking participants prior to the meeting to read up on one of the important aspects and become ‘a junior expert’ when engaging with faculty and others in the discussion.

12:30 – 13:00

**The Black Box**

*MODERATION: FURIAN (PADOVA)*

2 - 3 cases of near-misses or major mishaps or never events

to be presented by experienced faculty

*RATNER (COLUMBIA), POLAK (ROTTERDAM)*

13:00 – 13:05

**Round-up and closure**

*HAASE (LEIDEN)*

13:05

**Lunch**

**Education in Living Donation Workshop Organising Committee:**

Zeeshan Akhtar, Lisa Burnapp, Frank Dor, Lucrezia Furian, Bernadette Haase, Hannah Maple, Rutger Ploeg, Wojtek Polak
